About Kanha Worldwide LLP

Established in 2025, Kanha Worldwide LLP is a forward-integrated home textile manufacturing company and a subsidiary of VrindKanha Cotprint Pvt. Ltd., an export-oriented woven fabric processing unit specializing in printed and dyed home textile fabrics.

Part of the Kanha Exim Group, the company draws strength from over 30 years of textile industry experience under the leadership of Mr. Balmukund Agarwal, who brings more than 40 years of expertise across garments, fabrics and textile manufacturing.

Backed by strong capabilities in fabric processing, printing, dyeing, and finishing, Kanha Worldwide operates as a dedicated finished home textile and stitching unit, offering end-to-end integration from fabric to finished products. This ensures consistent quality, compliance, traceability and reliable on-time delivery for global customers.

The home textile division is led by Mr. Kushal Agarwal, with a clear focus on quality excellence, operational efficiency and long-term global partnerships.
